ii. In order for an athlete to compete, their verified weight **MUST** fall within the prescribed minimum and maximum weights. (+500 grams) for the division in which they officially registered
The maximum weight is: For the division in which they are officially registered or was merged plus 500 g clothing factor.

Canadian TaeKwon-Do Federation International C.T.F.I.

Rules of Competition Coloured Belt and Black Belt Provincial, Regional and National Competition

The minimum weight is: For the division in which they are officially registered or was merged minus 4 kg allowed underweight plus 500 g clothing factor.

e.g. If the weight division is over 50 kg to 55 kg, the minimum weight is 46.55 kg ($50 - 4 + 0.5 = 46.5$, so 46.55 is over 46.5) and the maximum weight is 55.5 kg ($55 + 0.5 = 55.5$).

iii. Weight Verification is only for confirming the competitor's registered weight.

a) It is an athlete's responsibility to ensure that their weight meets the minimum / maximum criteria prescribed for their registered division.

b) NO CHANGES OF DIVISIONS WILL BE ALLOWED!

i. Athletes are not permitted to move into another weight category from that which they originally registered or was merged for.

iv. All athletes competing in Individual Sparring are permitted one (1) Official Weight Verification.

vi. If an athlete does not meet the minimum / maximum weight (+500 grams) for their registered or merged division, they will be permitted one (1) additional opportunity to verify their weight.

a) Competitors not making their weight during their first weight verification shall have one (1) hour of time to return and present themselves for the 2nd and final weight verification.

b) Second verifications may be done earlier upon discretion and consent of the ITF Tournament Committee, and in compliance with Procedure 5.a

vii. If, upon second verification of weight, an athlete fails to meet the minimum / maximum weight (+500 grams) as prescribed for their registered or merged division, they will be disqualified from the event, with no refund of any monies paid.

Individual Sparring categories must consist of at least three (3) competitors. In all Coloured Belt and Black Belt categories, in the case of only one or two (1 or 2) competitors in either a weight or belt rank category, the categories will be merged by the Tournament & Umpire Committee. If the athlete chooses not to compete in the offered division, he/she has the option to withdraw from the competition.

T 40. BOUT PROCEDURE

INDIVIDUAL

Competitors will commence the bout on the start positions each with a red or blue pair of hand and feet equipment or a blue/red flag tied to the back of their belt to differentiate between them. At the command of the Centre Referee the competitors bow in turn to the Jury table, then to the Centre Referee and then to each other.

The Centre Referee will then start the Sparring with the command “SHI-JAK” and the competitors continue to spar until the Referee issues the command “HAECHYO”. At this point the competitors cease to spar and remain where they are until restarted. On completion of time, the time keeper will raise his hand to inform the Centre Referee, but the bout only ends on the final comment “GOMAN” by the Centre Referee. (No bean-bag will be thrown) The reverse for bowing will ensure and the result will be declared. For the result, the corner judges will stand up to give a decision with the flag and the Jury President can see the score and give the final result.

If a competitor leaves the square, they must re-start one (1) meter inside the square.

In a draw situation, the competitors bow to each other and immediately begin the first overtime match which will last for 1 minute. There will be no rest break. Warnings and/or minus points from the initial bout(s) are not carried forward.

If a further draw occurs, the competitors immediately begin the second overtime “First Point Scored” bout. There will be no time limit on the second overtime bout. A minimum of 2 judges must recognize a point for a competitor to win.

TEAM

TEAM Bout procedure will be as individual. A coin will be tossed between the two (2) coaches. The winning coach of the toss decides which team sends its first competitor into the ring. The teams must then alternate until all 5 competitors have sparred.

T 41. TIMING

On the first “Shi-Jak” (Start) command from the Centre Referee the timekeeper starts the clock until full time, unless the Centre Referee calls for a “time out” by saying “Jung-Ji”. At this time the timekeeper stops the clock until the next “Gae-sok” (Continue) command is given.
